

# YRA of LIS Scoring

August 29, 2021

Members of the YRA of LIS:

Many of you have been waiting patiently (or perhaps not so patiently) for the seasons scoring. As your scorer, I first want to apologize for the delay. As we have modernized our web site, we have also sought to modernize and automate our scoring system. The effort has been more complex than anticipated and has revealed numerous issues that had to be addressed. Some of these are discussed briefly below. While the effort is not complete, we are far enough along to publish preliminary scores through August 29 for the four W/L Spinnaker, Non-Spinnaker, trophies, and Spinnaker Distance trophies. Stratford Shoal, Double Handed, and Plus 1 Trophies will follow shortly.

A few comments about the standardization of our scoring methods may be helpful.

1. In the past, some boats have been unfairly prejudiced in qualification for season trophies because their W/L and Distance ratings place them in different trophy classes for day race trophies. This has been resolved by using each boat's W/L rating for the Spinnaker Day Race Trophies, and distance rating for Distance, Non-Spinnaker, Double Handed, and Plus 1 trophies regardless of the ratings used by each regatta OA. This change does not affect the scoring of any race – only the YRA of LIS season trophy each boat is competing for.
2. As discussed in the Racing Program, YRA of LIS membership is required for a race to count towards a season trophy – there is no retroactive scoring. Similarly, only results for boats with valid PHRF certificates (or OD membership when competing in OD Classes) are counted towards season trophies.
3. Fully crewed and double handed ratings are required for results to count towards their respective season trophies. Ratings are not interchangeable. For example, a boat that does not have a DH rating at the time of the race can not count that result towards the du Moulin Cup.

These criteria and validations have been built into the scoring program. We have tested it extensively, but it is likely that we have missed a few things. Yacht Scoring and Regatta Networks data is seldom perfect. If something looks wrong in your scores, or if you just have a question about the process, we invite you to email us at [scores@yralis.org](mailto:scores@yralis.org). We will try to respond to you as quickly as possible. We would also welcome any feedback you would like to provide on the new scoring report formats.

Thank You,

Larry J. Fox
